Product Description

Astronaut Night Light Projector with Starry Sky Gift for Kids Adults Kids Room Decor

Product Description:

1.Unique Astronaut Design,High-quality and lovely version of the astronaut-shaped projection lamp, high-quality materials and meticulous design, the high-definition lens makes the projection effect clear and realistic, using the lunar table document base, the placement is firmer and smoother. Exquisite appearance quality assurance, very suitable as decoration.

2.Amazing Nebula Effects,Eight kinds of nebula effects can be remotely operated, with adjustable nebula changing speed and brightness, to create different atmospheres for parties and festivals, bringing you a wonderful experience.

3.Remote Control & Timer,Astronaut Star Projector, with remote control, can control the light mode on/off. Adjust the brightness of each light mode. Two timer functions: 45/90 minutes, auto power off, easy access to these settings without waking up.

4.Easy to use,The cute astronaut head can be rotated and disassembled. 360° rotating arm, you can choose the astronaut shape and star projection angle at will, providing a wonderful and dreamy environment for your home.

5.Good Gift for Family,Astronaut Projector Lamp is suitable for birthday, party, wedding, room decoration, Christmas and anniversary gift. It is also perfect as a star projector, romantic mood lamp, night light or bedside lamp for interior decoration.
