

## Multipurpose RGB Astronaut Space Lamp , Durable Astronaut Star Projector Night Light

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: easuntec
- Certification: CE/ROHS/FCC
- Model Number: YSJ-YHY-001
- Minimum Order Quantity: 24 pcs
- Price: Get Best Price
- Packaging Details: 24 pcs / Carton
- Delivery Time: 3-5 work days
- Payment Terms: T/T,Western Union,PayPal
- Supply Ability: 2000pcs per day

### Product Specification

- Material: ABS/PC/PVC/TPE
- Item Color: White / Black
- Item Size: 120\*113\*228 Mm
- Light Source Type: RGB LED
- Power Supply: USB Plug In
- Work Input: 5V==1A
- Timing Mode: 45 Mins / 90 Mins
- Control Mode: Remote Control
- OEM: Support
- ODM: Support
- Highlight: Multipurpose Galaxy Globe Projector,  
RGB Galaxy Globe Projector,  
Durable Astronaut Star Projector Night Light

## Product Description

### Astronaut Star Projector Night Light with Timer and 360° Adjustable Gaming Room Decor

#### Product Description:

1.Astronaut Space Projector,The colorful and unpredictable nebula comes in a variety of color combinations and is decorated with flashing star lights, which can be switched by remote control or buttons. The high-definition starlight galaxy is projected onto the wall and ceiling, making you feel like you are in the vast galaxy, creating a romantic atmosphere and enjoying your leisure time.

2.Two Control Methods,The starry sky light has two control methods: the back button and the remote control. The button on the back can only turn on the light, switch the mode of Nebula and Starry Sky and long press to turn it off; The remote control can adjust the color, brightness and flashing frequency of the nebula and starry sky, as well as switch the machine and timing settings. Give you the most convenient remote control experience.

3.Innovative Design And Unique Appearance,The astronaut's appearance design is novel and unique, echoing the starry sky and galaxy theme, and takes you to explore the vast starry sky. The astronaut's head, which can be rotated 360° with magnetic attraction, allows the nebula to be projected anywhere without restriction. In addition, the astronaut's lunar base is detachable, the arms can be moved, and various poses can be taken, which is also a good decorative ornament.

4.Multi-Function Design,Bring a romantic starry night. The star light can be used as brightness adjustable night lights, bedroom atmosphere lights, living room sofa table decoration lights, car atmosphere lights, game room decoration lights, small home theater strobe lights, study desks and computer desk decorations. You can use the star projector in the baby room/bedroom/car/tent/living room/small home theater/Christmas/Valentine's day date/game room/study room/computer room, etc.

5.Great Gift Idea For Kids & Adults,As parents, do you want to create a beautiful night for your sweet boy/girl? As a son/daughter, do you want your parents to have a relaxing comfortable night to reduce their stress and fatigue? Do you want to give your girlfriend/boyfriend a surprise? It is an ideal holiday gift for your sweethearts, kids, families and friends.
