Product Description

Astronaut Space Buddy Star Projector with Remote, 360° Adjustable and Timer Gifts for Kids and Family

Product Description:

1.Astronaut Star Nebula Projector,The colorful and unpredictable nebula comes in a variety of color combinations and is decorated with flashing star lights, The high-definition starlight galaxy is projected onto the wall and ceiling, making you feel like you are in the vast galaxy, creating a romantic atmosphere and enjoying your leisure time.

2.Remote Control And Timer,The starry sky light has two control methods: button and remote control. The button on the back can only turn on the light, switch the nebula and starry sky mode, long press to turn off; the remote control can adjust the color, brightness and flashing frequency of the nebula and starry sky, besides, you can set the timer to 45 or 90 minutes, in which case the led star night light projector will automatically turn off when you fall asleep under a starry sky.

3.Unique Appearance Design,The unique astronaut appearance design and the starlight of the starry sky and Milky Way will take you to explore the mysterious and vast starry sky. The head of the astronaut can be rotated 360° by magnetic force, projecting the nebula to any place without restriction. In addition, the astronaut's arm can be moved, and it can assume all kinds of poses you want, which makes it not only a galaxy star projector but also a good-looking decorative ornament.

4..Multi Function Star Light Projector,The galaxy projector for the bedroom creates a wonderful and starry atmosphere, and with different adjustable brightness, It can be used as a bedside night light to accompany children to sleep, bring a romantic starry night, and also can use this constellation projector for homeroom, With an Astronaut appearance, a very attractive design which is perfects for indoor decoration, Create the perfect outer space atmosphere for your kids.

5.Great Gift Ideas for Kids & Adults,Are you still worried about not knowing what gift to give? As parents, do you want to create a wonderful night for your lovely boy/girl? As a son/daughter, do you want to give your parents a relaxing and comfortable night to relieve their stress and fatigue? Do you want to give your girlfriend/boyfriend a surprise? the star projector would be the perfect choice.
