## Product Description

### Astronaut Night Sky Projector Nebula Starry Lights with Remote Timer for Home Bedroom Decoration

#### Product Description:

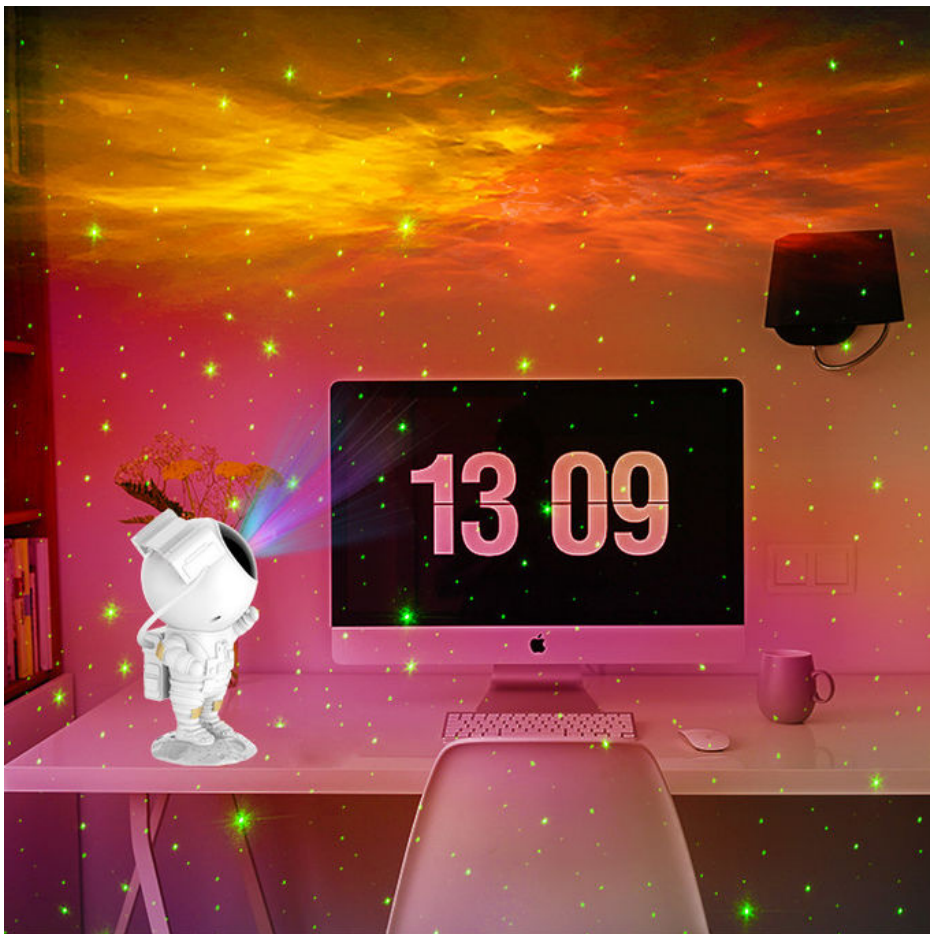

- 1.Star Projector Lamp,This magic star and nebula projection light with 8 scenes adjustable brings an amazing virtual world as if in the Universe, creating a romantic atmosphere.
- 2.Wide Applications,It can be a nice bedroom atmosphere lamp, and is also great for adding atmosphere to home party, festival, birthday, dance ball, rave, etc. An amazing gift for adults and kids.
- 3.Cute Ornament,The star and nebula projector is designed to look like an astronaut, which makes it not only a galaxy star projector, but also a nice-looking decorative ornament.
- 4.Remote Control,You can use the remote control to turn on/off the lamp, adjust the brightness and speed, switch the light modes, set the timer (45min/90min), etc. Buttons on the lamp can also control the light.
- 5.USB Powered,Powered by a USB power cord, no need to worry about running out of battery. With adjustable projection angle, it can project the scene on the ceiling or wall.
