Astronaut Light Projector Mini Heart Hugging with Remote Starry Sky for Home Bedroom Ceiling Decor

Product Description:

1.Star Galaxy Projector, This star projector galaxy night light projector has seven galaxy changing effects, as well as multiple twinkling green stars, adjustable speed, rich and diverse colors, user-friendly functions, and diverse projection effects, bringing you a rich visual experience. Project the galaxy lights projector on the wall or ceiling to create a peaceful and romantic atmosphere in the room for a relaxing leisure time.

2.Remote Control, This astronaut light projector comes with a remote control, which can freely turn on/off the northern lights and starry sky, adjust the brightness, and change the light mode. The star night light projector can display a variety of starry sky changing effects, adjust the speed to customize your favorite projection effect.

3.Unique Appearance and Design, This star projection night light projector is designed with astronaut appearance, echoing the galaxy theme, bringing you fantastic visual effects. In addition, the astronaut's head can be rotated 360°, allowing you to achieve a satisfactory light projection angle, and the galaxy projector provides you with an exciting interactive experience of cosmic wonders.

4.Suitable for Many Occasions, Star projector night light projector can be used in bedroom, living room, game room, home theater, in car, valentine's day date, christmas, wedding and party. Star projector can also be used as a backdrop when live streaming on social media platforms. The atmosphere created by the comfortable lighting can bring everyone present on a journey into the vast universe.

5.Great Gift for Kids or Adults, This galaxy lights projector is a bedroom decoration ceiling that can be used as a gift for your lover, kids, family and friends on Christmas, Valentine's Day, Children's Day or any other day. It is not only a galaxy projector, but also a beautiful decoration, as a star galaxy projector night light in the bedroom, it can let them relieve the stress and fatigue of the day, fall asleep easily, and can also stimulate children's curiosity, imagination and creativity.
