Product Description

Astronaut Space Buddy Star Projector Mini Heart Hugging with Remote 360° Adjustable for Bedroom Decor

Product Description:

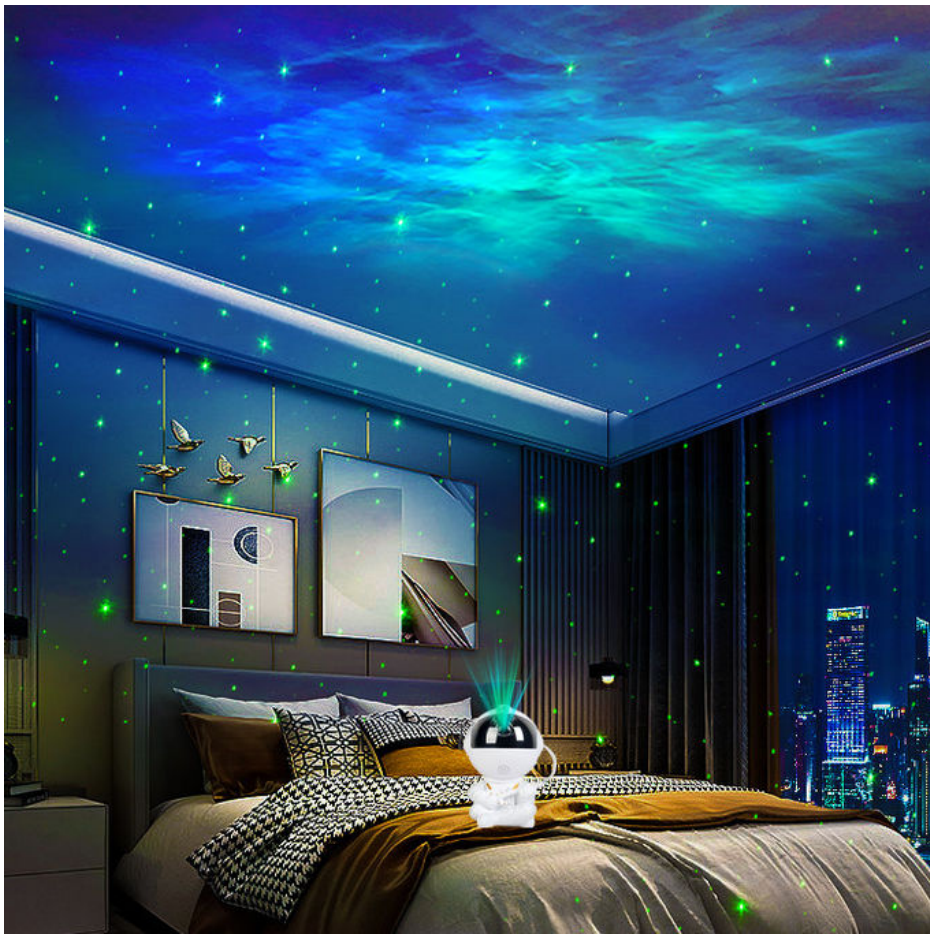

1. 2nd Version Astronaut Star Projector, Our this new version astronaut star projector was designed to be a mini night lights, it is palm-sized, so you can pack in carry-on while on the go. The combination of nebula and starlights can turn on alone or in combination(up to 17 mode choices), and the projection of nebula flow creates a relaxing atmosphere. Astronaut Nebula Galaxy Projector Night Light, echoing the starry sky and galaxy theme, taking you to explore the vast space.
2. Manual Switch and Remote Controller, You have 2 ways to turn on Astronaut Light Projector: the back buttons & the remote control. The button on the back can only turn on the projector, Nebula & star switch, and long press to turn it off. The remote control can adjust color of nebula, brightness of nebula, flowing speed of nebula, mode of star changing, brightness of stars, breath speed of stars and On/Off of stars.
3. Unique and Flexible 360°Rotation Magnetic Head, The head and body of the Astronaut Nebula Galaxy Projector Night Light are connected together by magnets, it is detachable. So you can apply it with rotating the head or take it off the body and project starry and nebula anywhere as you like, providing a wonderful and dreamy environment for your baby room/Bedroom/Car /Camping tent/Home Theater/Ceiling/Room Decoration.
4. The Best Gifts for Anyone, This star projector night light is easier to operate, nebula effect is more high-definition. Best gifts for children's birthday, helps children inspire curiosity, imagination and creativity, explore the mysteries in the starry star. Bring this to lover when Valentine's Day, he/she must enjoy this incredible starry light show. Perfect for you to decorate bedroom, kids room, home theatre, ceiling, window, party decorations, wedding, birthday and anniversary.
5. Galaxy Night Light Usage Scenario, In the living room, bedroom, home theater, gaming room, bathroom etc. For movie nights, date nights, indoor parties (Halloween, birthday, dinner, dance, rave, camping parties), playing games, sleeping.
