Product Description

Astronaut Lamp Mini Heart Hugging Starry Sky Night Light with Remote Bedroom Ceiling Decorative

Product Description:

1. Astronaut Nebula Star Projector, The star projector night light features 9 stunning nebula effects accompanied by twinkling green stars. Project it onto the wall or ceiling of your room and it will bring the galaxy space light to you, creating a peaceful and relaxing atmosphere. Great ambient light for movie nights, date nights or game setups.
2. Unique appearance and innovative design, The unique astronaut appearance design and the starlight of the starry sky and Milky Way will take you to explore the mysterious and vast starry sky. The head of the astronaut can be rotated 360° by magnetic force, projecting the nebula to any place without restriction. Let your dream of space at night.
3. Remote Control and Projection Angle Adjustable, You can use the remote control to adjust the pattern, brightness and rotation speed to customize the projection effect you like. Star or nebula patterns can be used simultaneously or separately. The night light starry projector is designed to look like an astronaut, and the astronaut's head is magnetically connected to the body for easy adjustment of the nebula projection angle.
4. An Amazing Gift for Kids & Adults, Star projector Night Lights are perfect for giving to friends and family. It can also stimulate children's curiosity, imagination, and creativity. Create a beautiful night for the children, or spend a relaxing and comfortable night with your lover, reducing the stress and fatigue of the day. It is an ideal holiday gift for your lover, children, family and friends. (Christmas, Valentine's Day, birthdays, etc.)
5. Suitable for Many Occasions, Star lights can be used as brightness adjustable night lights, bedroom atmosphere lights, living room sofa table decoration lights, small home theater strobe lights, study desks and computer desk decorations, room decor aesthetic. The star ceiling constellation projector can be used in bedrooms, game rooms, home theaters, living rooms to provide a cool atmosphere for date nights, game setups, movie nights, parties or as a night light to accompany kids to sleep.
