## Product Description

### Astronaut Galaxy Starry Projector Guitar Star Sky Nightlights For Bedroom Home Decorative Kids Birthday Gift

#### Product Description:

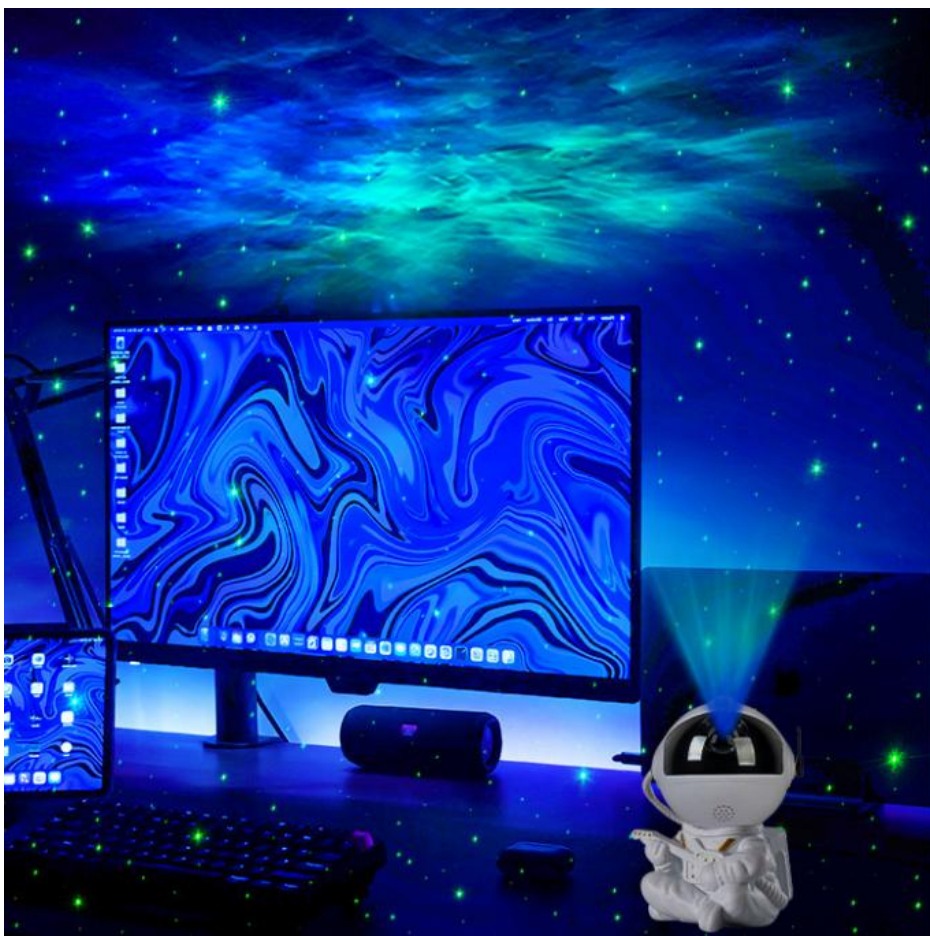

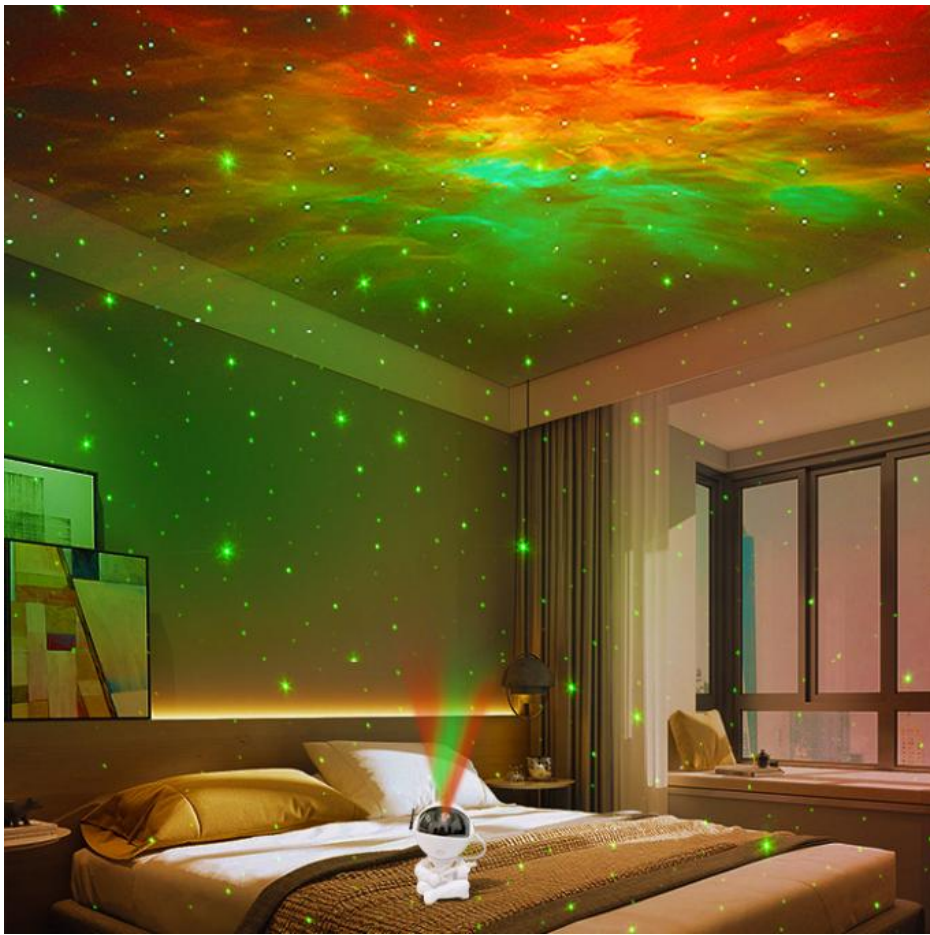

1. Smart Star Projector Works With 360° Adjusted, The night lights for kids's appearance design is novel and unique, echoing the starry sky and galaxy theme, taking you to explore the vast space. The astronaut's head can be rotated 360° with magnetic gravity, allowing the nebula to be projected anywhere without restriction. Exquisite appearance quality assurance, Great as an ornament.
2. Total 17 Modes to Choose, The astronaut starry sky projection lamp has unique design with project nebula and starlight onto the wall or ceiling. Create a wonderful starry sky atmosphere easily. There are 8 types of dynamic nebulae, The combination of nebula and starlight can be played alone or in combination. Total 17 mode choice. The light source of stars and nebulae is strong, so eyes should not look directly at the light source.
3. Space Travel Through Twinkling Stars, The galaxy projector night light features stunning nebula effects, it project colorful starry light onto the wall and ceiling, fill your room with blinking green stars, creating a peaceful, relaxing, mysterious and romantic atmosphere. This star ambient lights is perfect decoration for home especially christmas decor, party, dancing, wedding, banquet, birthday, halloween, festival, movie and more, it also help you and kids fall asleep.
4. All Adjustable By Remote Control, The head is 360 degree rotatable so you feel free changing directions of the colorful lights, remote control can adjust color of nebula, brightness of nebula, flowing speed of nebula, mode of star changing, brightness of stars, breath speed of stars and On/Off of stars. All products from SEVEYEE is FCC, RoHS and CE certified, and we provide 90 days no questions asked return policy, completely worry-free shopping experience!
