Product Description

Smart Star Projector with Wifi Galaxy Light Projector Nebula Cloud Projector with App Control Night Light for Bedroom
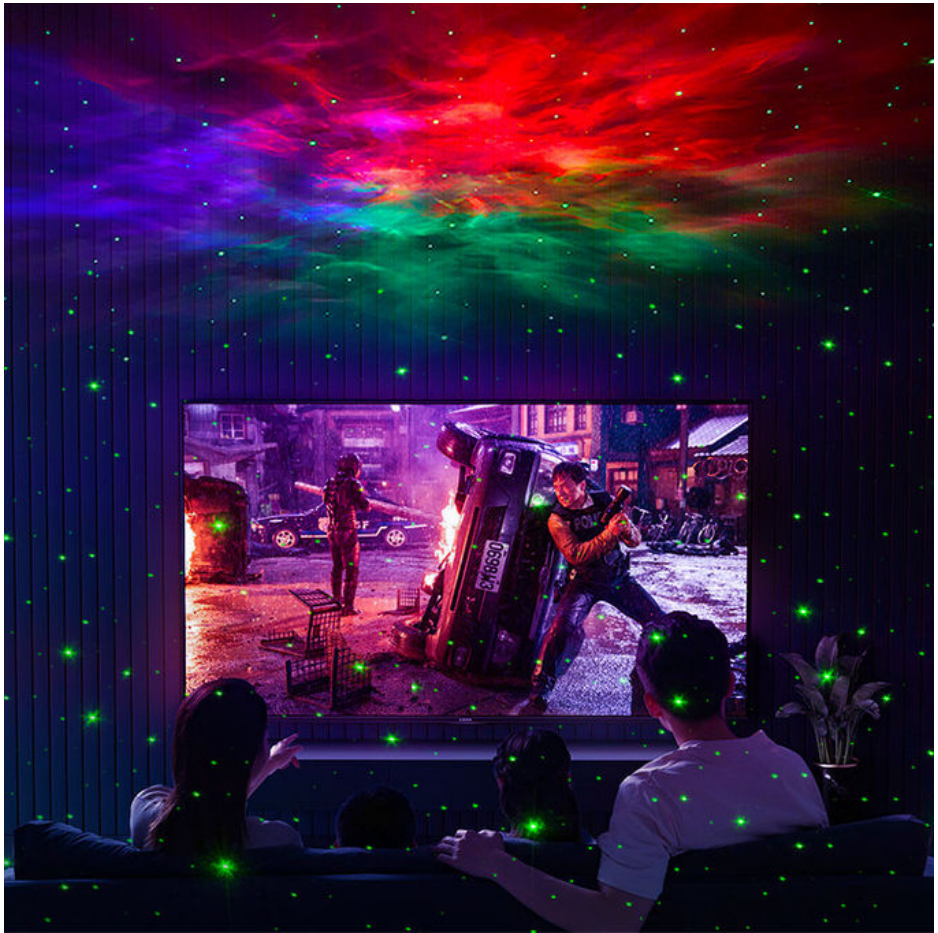

Product Description:

1. Smart App Control,Star projector not only can be used as traditional by button, but also supports the smart APP control, which works with "Smart Life" APP, you can remote control the starry sky projector to change colors, brightness adjustment and set the timer via your phone directly, make your life more intelligent and colorful. (Notes: 2.4Ghz Wifi Network only).
2. Voice Control,The Wifi galaxy projector with nebula cloud compatible with Alexa and Google Home, simple to send a voice command to get it to work and enjoy a hands-free experience, saying "Alexa, turn on the projector", "change the color to blue", "set the brightness to 50%".
3. Timer Setting,Set a timing schedule for the smart night light projector in the bedroom or kids, children' room, it will turn on/off automatically as per your preset time, no worry about the projector to be ON all night time or getting out of the bed to turn it off at the midnight, easy and convenient.
