Product Description

Sound Machine Smart Light Sunrise Wake Up Alarm Clock Wireless Charger for Sleeping for Teens Kids

Product Description:

1. Soft and gorgeous light effect: The wake up light will simulate sunrise when the alarm clock music rings, and the brightness will gradually increase from 0% to 100%, providing a comfortable and energetic wake-up experience. This night light has 256 lighting effects, and 16 million light colors can be adjusted through smart phones;
2. Help you fall asleep: The smart stereo is equipped with Bluetooth speakers. Just connect your phone Bluetooth, and you can set white noise as a sleep aid device, so that you can fall asleep faster and have high-quality sleep. The intelligent button can be switched between 12hour and 24hour modes, and the brightness of the LED time display can be adjusted to completely turn off, so you don't have to worry about hurting your eyes and affecting your sleep;
3. 15W fast wireless charging base: Compatible with a variety of devices and models. It has overcurrent protection, overvoltage protection, over temperature protection and foreign matter detection functions during charging, which can prevent the device battery from being damaged due to charging;
4. Volume setting: The volume of this music alarm clock is loud enough to wake up heavy sleepers adults, so that you will not worry about being late for work or absent from class due to oversleeping;
5. Perfect gift: Suitable for birthday gifts, Valentine's Day gifts, dating gifts, Father's Day gifts, Mother's Day gifts, Thanksgiving gifts, Christmas gifts for children, teenagers, men, women and family members. In addition to sleep, meditation, reading, relaxation, it can also be used as decorations for bedrooms, living rooms and apartments.
