## Product Description

### Mobile Phone Mini Projector Home Projector Tripod Compatible with TV Stick iOS Android PS5 HDMI USB

#### Product Description:

1. 1080P Full HD Resolution Supported,A30 portable projector supports resolution 1920\*1080P, aspect ratio 4:3/16:9, contrast ratio of 10000:1 and  $\pm 15^\circ$  keystone correction. The projector is built by MStar advanced color engine and the latest 7-layer LCD lens (+80% brightness than similar projectors), which is a brilliant choice for home or outdoors;
2. 5G+2.4G Dual-band WiFi,This mini projector is equipped with latest 5G WiFi technology.You can not only get a more stable WiFi experience with 2.4G network, but also achieve the advantages of faster transmission and wider efficiency with added 5G;
3. Connect to Multiple Devices,This projector with wifi and bluetooth enables to connect TV Stick / Laptop / DVD / PS5 / Xbox via HDMI input; Connect to PC via VGA jack; Connect TV/ video devices via AV input. Connect microSD via TF input; Connect U disk via USB input.USB connectivity only works for certain flash formats and not directly from phone. Perfect for playing videos, TV shows, sports events, and sharing photos;
4. Tripod Included & Lifetime Technical Support,A30 movie projector comes with a tripod,which is easy to install and will make the projection more stable.
5. Gift for Children,Mini projector is a must-have product for children to watch cartoons and videos, which is very popular with children. When viewed from a distance with a projector, it can project a maximum of 170 inches (Recommended 60-100 inches). Keeping children away from mobile phones and iPads can protect children's eyes;
